

HADDAM KILLINGWORTH PROJECT GRADUATION
NEWSLETTER
Volume 1

The HK Projection Graduation committee will now have our own newsletter to send out to parents via Mr. Macunas. This newsletter will be done monthly unless needed to get our news to parents more often.

The Project Graduation Fundraising Committee will once again be offering a chance to order wrapping paper. The brochures will be sent home at the end of August and will need to be **returned by Friday October 1st**. There will be a collection box in the office for students to drop off their envelopes. The success of Project Graduation every year is dependent upon this fundraiser and we are grateful for the support of the community. If your family would rather not place an order, monetary donations are gratefully accepted. We will also have other fundraisers throughout the year.

We will continue with the recycling fundraiser so please look for the green bins in all of RSD 17 schools and consider donating **used cell phones, ink jet cartridges, digital cameras, laptops, (no desktops/monitors), hand held games, etc.** Any questions, feel free to contact Kathy Strom, 860-345-3398 or KSSTROM@aol.com. Updates will be added to the Project Graduation link on the district website.
