Safe School Climate Plan

The Region 17 schools promote a secure and safe school climate, conducive to teaching and learning that is free from threat, harassment and any type of bullying behavior or teen dating violence. Therefore bullying or harassment of a student by another student is prohibited.

Consistent with legislative requirements, the Superintendent is authorized to develop and implement a Safe School Climate Plan that contains the essential elements outlined in Public Act 11-232 An Act Concerning the Strengthening of School Bullying Laws. This plan also includes policies and procedures related to Sexual Harassment and Sex Discrimination.

Students who engage in any act of bullying, harassment, sexual harassment, sex discrimination or teen dating violence, on school grounds, at a school-sponsored or school related activity, function or program whether on or off school grounds, at a school bus stop, on a school bus or other vehicle owned, leased or used by the Board of Education, or through the use of an electronic device, or an electronic mobile device, owned, leased or used by the Board of Education, and outside of the school setting if such act(s):

1. Creates a hostile environment at school for the target.
2. Infringes on the rights of the target at school, or
3. Substantially disrupts the educational process or the orderly operation of a school.

Such acts are subject to appropriate disciplinary action up to and including suspension, expulsion and/or referral to law enforcement.

Bullying is defined as the repeated use by one or more students of a written, verbal or electronic communication, such as cyberbullying, teen dating violence, or a physical act or gesture directed at another student attending school in the same district that:

I. causes physical or emotional harm to such student or damage to such student’s property;
II. places such student in reasonable fear of harm to himself or herself, or of damage to his or her property;
III. creates a hostile environment at school for such student;
IV. infringes on the rights of such student at school; or
V. substantially disrupts the education process or the orderly operation of a school.
Bullying shall include, but not be limited to, a written, verbal or electronic communication or physical act or gesture based on any actual or perceived differentiating characteristics, such as race, color, religion, ancestry, national origin, gender, sexual orientation, gender identity and expression, socioeconomic status, academic status, physical appearance, or mental, physical, developmental or sensory disability, or by association with an individual or group who has or is perceived to have one or more of such characteristics.

**Cyberbullying** Any act of bullying through the use of the Internet, interactive and digital technologies, cellular mobile telephone or other mobile electronic devices or any electronic communications.

The following sections outline and further delineate key components and information related to the RSD 17 Safe School Climate Plan. For further information, or specific language and procedures in the plan, please refer to the RSD 17 Board of Education policies regarding Bullying (P-5131.911 a), and Harassment (P-5131.911 b), and Sexual Harassment (P-5145.5) included in the Appendix.

**School Climate** The quality and character of school life with a particular focus on the quality of the relationships within the school community between and among students and adults.

**Hostile Environment** A situation in which bullying or harassment among students is sufficiently severe or pervasive to alter the conditions of the school climate.

**Harassment** Any physical or verbal hostility toward someone with legally protected status. Such status pertains to race, color, religious creed, gender, age, national origin, ancestry, marital status, sexual orientation, disability (Including past or present history of mental disability), physical disability, learning disability, mental retardation, genetic information, prior criminal conviction, or other lawfully protected status. Such hostility can be severe, persistent, or pervasive.

**Sex Discrimination** occurs when a person, because of his or her sex, is denied participation in or the benefits of any education program receiving federal financial assistance.

**Sexual Harassment**: In a school setting, sexual harassment is conduct that 1) is sexual in nature; 2) is unwelcome; and 3) denies or limits a student's ability to participate in or benefit from a school's educational program. Sexual harassment can be verbal, nonverbal or physical. Sexual violence is a form of sexual harassment. Sexual harassment creates a hostile environment if the conduct is sufficiently severe or pervasive such that it interferes with or limits a student's ability to participate in or benefit from the school's program. Although not an exhaustive list, the following are examples of sexual conduct prohibited by this policy:
1. Statements or other conduct indicating that a student's submission to, or rejection of, sexual overtures or advances will affect the student's grades and/or other academic progress.
2. Unwelcome attention and/or advances of a sexual nature, including verbal comments, sexual invitations, leering and physical touching.
3. Display of sexually suggestive objects, or use of sexually suggestive or obscene remarks, invitations, letters, emails, text messages, notes, slurs, jokes, pictures, cartoons, epithets or gestures.
4. Touching of a sexual nature.
5. Telling sexual or dirty jokes.
6. Transmitting or displaying emails or websites of a sexual nature.
7. Using computer systems, including email, instant messaging, text messaging, blogging or the use of social networking websites, or other forms of electronic communications, to engage in any conduct prohibited by this policy.

**Sexual Violence:** Sexual violence is a form of sexual harassment. For the purposes of this policy, sexual violence refers to physical acts that are sexual in nature, perpetrated against a person's will or where a person is incapable of giving consent due to the victim's use of drugs or alcohol.

**Electronic communication** Any transfer of signs, signals, writing, images, sounds, data or intelligence of any nature transmitted in whole or in part by a wire, radio, electromagnetic, photo-electronic or photo-optical system.

**Mobile electronic device** Any hand-held or other portable electronic equipment capable of providing data communication between two or more individuals, including, but not limited to, a text messaging device, a paging device, a personal digital assistant, a laptop computer, equipment that is capable of playing a video game or a digital video disk, or equipment on which digital images are taken or transmitted.

Bullying/Harassment/Sexual Harassment Reporting, Investigating, and Communicating Protocol

Reports of bullying, harassment, sexual harassment or teen dating violence may be received from students, school personnel, parents/guardians or may be anonymous. Students and parents/guardians may file written reports of bullying, sexual harassment, harassment, or teen dating violence with a school administrator or Safe School Climate Specialist.
Students may request anonymity when making a report to a school employee or to the Safe School Climate Specialist. Anonymous complaints shall be reviewed and reasonable action will be taken to address the situation, while maintaining the confidentiality of the source of the complaint. Note that no disciplinary action shall be taken solely on the basis of an anonymous complaint. Such reports made to a school employee should be promptly forwarded to a school administrator or Safe School Specialist.

School employees who witness acts of bullying, sexual harassment, harassment, or teen dating violence, or receive reports of bullying, sexual harassment, harassment, or teen dating violence must orally notify the Safe School Climate Specialist or school administrator not later than one school day after such school employee witnesses or receives a report. The same school employee must file a written report not later than two school days after making the oral report.

Informal reports that are considered to be bullying, sexual harassment, harassment, or teen dating violence will be promptly transcribed into writing and will follow the same procedure outlined above.

All reports of bullying, harassment, sexual harassment, or teen dating violence will be reviewed and investigated.

Upon receipt of a sexual harassment or sex discrimination complaint, the Title IX Coordinator shall either promptly commence an investigation of the complaint, or shall designate a school administrator to promptly investigate the complaint. The Title IX Coordinator or designee shall:

a) offer to meet with the complainant within ten (10) school days to discuss the nature of the complaint, identify individuals the complainant believes has relevant information, and obtain any relevant documents the complainant may have;

b) provide the complainant with a copy of the Board's sexual harassment policy and accompanying regulations;

c) consider whether any interim measures may be appropriate to protect the alleged victim, pending the outcome of the investigation;

d) investigate the factual basis of the complaint, including, as applicable, conducting interviews with individuals deemed relevant to the complaint; and re-interview individuals, if deemed necessary;

e) consider whether alleged sex discrimination or sexual harassment has occurred or whether a hostile school environment has been created, including consideration of the effects of off-campus conduct on the school;

f) communicate the outcome of the investigation in writing to the complainant, and to any individual properly identified as a party to the complaint (to the extent permitted by state and federal confidentiality requirements), within sixty (60) school days from the date the complaint was received by the Superintendent's office. The investigator may extend this
deadline for no more than fifteen (15) additional school days if needed to complete the investigation. The complainant shall be notified of such extension. The written notice shall include a finding whether the complaint was substantiated and if so, shall identify, to the extent possible, how the district will remedy the discrimination or harassment, adhering to the requirements of state and federal law;

g) when sex discrimination or sexual harassment has been found, take steps that are reasonably calculated to end the discrimination, take corrective and/or disciplinary action aimed at preventing the recurrence of the harassment or discrimination, as deemed appropriate by the Superintendent or his/her designee, and take steps to remedy the effects of the sex discrimination or sexual harassment;

If the student complainant or alleged perpetrator is dissatisfied with the findings of the investigation, he or she may file a written appeal within thirty (30) calendar days to the Title IX Coordinator, or, if he/she conducted the investigation, to the Superintendent of Schools, who shall review the Title IX Coordinator or designee's written report, the information collected by the Title IX Coordinator or designee together with the recommended disposition of the complaint to determine whether the alleged conduct constitutes sexual harassment or sex discrimination. The Title IX Coordinator or Superintendent of Schools may determine if further action and/or investigation is warranted. After completing this review, the Title IX Coordinator or Superintendent of Schools shall respond to the complainant, in writing, within fifteen (15) school days following the receipt of the written request for review.

If a sex discrimination complaint raises a concern about bullying behavior, the Title IX Coordinator shall notify the Safe School Climate Specialist or designee who shall coordinate any bullying investigation with the Title IX Coordinator, so as to ensure that any such bullying investigation complies with the requirements of applicable Board policies.

Retaliation against any individual who complains pursuant to the Board's policy and regulations is strictly prohibited. The district will take actions necessary to prevent retaliation as a result of filing a complaint.

At any time, a complainant alleging sex discrimination or sexual harassment may file a formal complaint with the Office for Civil Rights, Boston Office, U.S. Department of Education, 8th Floor, 5 Post Office Square, Boston, MA 02109-3921 (TELEPHONE NUMBER (617) 289-0111).

Copies of this regulation will be distributed to all students.

**Record-Keeping System: Safe School Climate Binder/Incident Log**

Each school shall maintain complaints of bullying, harassment, and sexual harassment, along with supporting documentation received and/or created as a result of bullying/sexual harassment/harassment investigations in a binder maintained by the school’s Safe School Climate Specialist.
The Safe School Climate Specialist of each school shall maintain a log in the binder detailing the
date of receipt of any/all bullying/harassment/sexual harassment complaints; date the
investigation commenced; any interim safety/intervention measures afforded during the
investigation; date investigation was completed and the resolution (allegation verified or not); a
completed investigation report (including findings), and; any safety/intervention measures
afforded upon completion of the investigation.

The Safe School Climate Specialist of each school shall maintain a log of the number of verified
acts of bullying in the school and this list shall be available for public inspection upon request
(page 13). Given that any determination of bullying involves repeated acts, each investigation
that results in a verified act of bullying for that school year shall be tallied as one verified act of
bullying unless the specific actions that are the subject of each report involve separate and
distinct acts of bullying. The list shall be limited to the number of verified acts of bullying in
each school and shall not set out the particulars of each verified act, including, but not limited
to any personally identifiable student information, which is confidential information by law.

The Safe School Climate Specialist of each school shall maintain a log in the binder of each
sexual harassment complaint.

Appendix A

Students:
Bullying

The Region 17 Board of Education promotes a secure and safe school climate, conducive to
teaching and learning, that is free from threat, harassment and any type of bullying behavior.
Therefore it is the policy of the Board that bullying of a student by another student is prohibited.

Consistent with legislative requirements the Superintendent is authorized to develop and
implement a Safe School Climate Plan that contains the essential elements outlined in Public Act
11-232 An Act Concerning the Strengthening of School Bullying Laws.

Students who engage in any act of bullying, on school grounds, at a school-sponsored or school
related activity, function or program whether on or off school grounds, at a school bus stop, on a
school bus or other vehicle owned, leased or used by the Board of Education, or through the use
of an electronic device, or an electronic mobile device, owned, leased or used by the Board of
Education, and outside of the school setting if such bullying:
1. creates a hostile environment at school for the victim
2. infringes on the rights of the victim at school, or
3. substantially disrupts the educational process or the orderly operation of a school

are subject to appropriate disciplinary action up to and including suspension, expulsion and/or
referral to law enforcement.

Definitions:

“Bullying”- is defined as the repeated use by one or more students of a written, verbal, or
electronic communication, such as cyberbullying, or a physical act or gesture directed at another
student in the same school district that: (A) causes physical or emotional harm to the student or
damage to the student’s property, (B) places the student in reasonable fear of harm to himself or
herself, or of damage to his or her property, (C) creates a hostile environment at school for such
student (a hostile environment is a situation in which bullying among students is sufficiently
severe or pervasive as to alter the conditions of the school climate), (D) infringes on the rights of
the student at school, or (E) substantially disrupts the education process or the orderly operation
of a school. This definition of “bullying” includes, but is not limited to, written, verbal, or
electronic communications, or physical acts or gestures that are based on any actual or perceived
differentiating characteristics, such as race, color, religion, ancestry, national origin, gender,
sexual orientation, gender identity and expression, socioeconomic status, academic status,
physical appearance, or mental, physical, developmental or sensory disability, or by association
with an individual or group who has or is perceived to have one or more of such characteristics.

“Cyberbullying” - Any act of bullying through the use of the Internet, interactive and digital
technologies, cellular mobile telephone or other mobile electronic devices, or any electronic
communications. In order for it to be identified as “cyberbullying” requiring school/program
intervention, the students involved must attend school in the same district.

“School Climate” - The quality and character of school life with a particular focus on the quality
of the relationships within the school community between and among students and adults.
“School Employee” - A teacher, substitute teacher, school administrator, school superintendent, guidance counselor, psychologist, social worker, nurse, physician, school paraprofessional, or coach employed by a local or regional board of education or working in a public elementary, middle, or high school; or any other individual who, in the performance of his or her duties, has regular contact with students and who provides services to, or on behalf of students, enrolled in a public elementary, middle, or high school, pursuant to a contract with the local or regional board of education.

“Off Campus Bullying” - The new law explicitly requires school districts to prohibit bullying which occurs outside of the school setting if such bullying 1) creates a hostile school environment for the victim; 2) infringes on the rights of the victim at school; or 3) substantially disrupts the education process or the orderly operation of a school.

“Harassment” – Any physical or verbal hostility toward someone with legally protected status. Such status pertains to race, color, religious creed, gender, age, national origin, ancestry, marital status, sexual orientation, disability (including past or present history of mental disability), physical disability, learning disability, mental retardation, genetic information, prior criminal conviction, or other lawfully protected status. Such hostility can be severe, persistent, or pervasive.

As part of this policy, the Board of Education shall develop and implement a Safe School Climate Plan to address the existence of bullying in its schools. Such plans shall establish deadlines for reporting, investigating and notifying parents and guardians about bullying incidents; prohibit retaliation against those who report bullying; and require school officials to notify law enforcement officials when it is believed that bullying conduct constitutes a crime.

Safe School Climate Assessment

The Board requires each school in the District, on or after July 1, 2012, and biennially thereafter, to complete an assessment using school climate assessment instruments, including surveys, approved and disseminated by the Department of Education pursuant to C.G.S. 10-222h, as amended by PA 11-232. The Board will collect the school climate assessments and submit them to the Department of Education.

This policy shall not be interpreted to prohibit a reasonable and civil exchange of opinions, or debate that is protected by state or federal law.

ADMINISTRATIVE REGULATIONS REGARDING
SEX DISCRIMINATION AND SEXUAL HARASSMENT (STUDENTS)

It is the policy of the Board of Education that any form of sex discrimination or sexual harassment is forbidden, whether by students, Board employees or third parties subject to the control of the Board. Students, Board employees and third parties are expected to adhere to a standard of conduct that is respectful of the rights of students. Any student or employee who engages in conduct prohibited by the Board's sex discrimination and sexual harassment policy shall be subject to disciplinary action.

Definitions

**Sex discrimination** occurs when a person, because of his or her sex, is denied participation in or the benefits of any education program receiving federal financial assistance.

**Sexual harassment:** In a school setting, sexual harassment is conduct that 1) is sexual in nature; 2) is unwelcome; and 3) denies or limits a student's ability to participate in or benefit from a school's educational program. Sexual harassment can be verbal, nonverbal or physical. Sexual violence is a form of sexual harassment. Sexual harassment creates a hostile environment if the conduct is sufficiently severe or pervasive that it interferes with or limits a student's ability to participate in or benefit from the school's program. Although not an exhaustive list, the following are examples of sexual conduct prohibited by this policy:

1. Statements or other conduct indicating that a student's submission to, or rejection of, sexual overtures or advances will affect the student's grades and/or other academic progress.

2. Unwelcome attention and/or advances of a sexual nature, including verbal comments, sexual invitations, leering and physical touching.

3. Display of sexually suggestive objects, or use of sexually suggestive or obscene remarks, invitations, letters, emails, text messages, notes, slurs, jokes, pictures, cartoons, epithets or gestures.

4. Touching of a sexual nature.

5. Telling sexual or dirty jokes.

6. Transmitting or displaying emails or websites of a sexual nature.

7. Using computer systems, including email, instant messaging, text messaging, blogging or the use of social networking websites, or other forms of electronic communications, to engage in any conduct prohibited by this policy.

Page 1 of 5
**Sexual Violence:** Sexual violence is a form of sexual harassment. For the purposes of this policy, sexual violence refers to physical acts that are sexual in nature, perpetrated against a person's will or where a person is incapable of giving consent due to the victim's use of drugs or alcohol.

**Complaint Procedure**

I. It is the express policy of the Board of Education to encourage victims of sex discrimination or sexual harassment to promptly report such claims. Preferably, complaints should be filed within thirty (30) days of the alleged occurrence. Timely reporting of complaints facilitates the investigation and resolution of such complaints. A reporting form is attached to this regulation and also is on the Board’s website and is available upon request from the main office of each district school and at the Board of Education Office.

2. As soon as a student feels that he or she has been subjected to sex discrimination or sexual harassment, he/she or his/her parent/legal guardian should make a written complaint to the building principal, or his/her designee or the Title IX Coordinator. 3. The complaint should state the:

   B. Date of the complaint,
   
   C. Date(s) of the alleged harassment/discrimination,
   
   D. Name(s) of the harasser(s) or discriminator(s),
   
   E. Location where such harassment/discrimination occurred,
   
   F. Names of any witness(es) to the harassment/discrimination,
   
   G. Detailed statement of the circumstances constituting the alleged harassment/discrimination; and
   
   H. Remedy requested.
4. Any student who makes an oral complaint of harassment or sex discrimination to any of the above-mentioned personnel will be provided a copy of this regulation and will be requested to make a written complaint pursuant to the above procedure. In appropriate circumstances, such as due to the age of the student making the complaint, a parent or school administrator may be permitted to fill out the form on the student’s behalf.

5. If the complainant is a minor student, the person to whom the complaint is given should consider whether a child abuse report should be completed in accordance with the Board’s policy on the Reports of Suspected Child Abuse or Neglect of Children.

6. All complaints are to be forwarded immediately to the building principal or designee unless that individual is the subject of the complaint, in which case the complaint should be forwarded directly to the Superintendent of Schools or his/her designee. In addition, a copy of any complaint filed under this policy shall be forwarded to the Title IX Coordinator.

7. The Title IX Coordinator or designee shall promptly investigate all complaints of sex discrimination or sexual harassment against a student, regardless of whether the conduct occurred on or off-school grounds. The investigation shall be conducted discreetly, maintaining confidentiality insofar as possible while still conducting an effective and thorough investigation.

8. Any student who makes a complaint shall be notified of the District’s intent to investigate the complaint. In the event the student requests confidentiality or that an investigation not be conducted, the District will take reasonable steps to investigate and respond to the complaint to the extent possible, given the request for confidentiality or that the District not investigate the complaint. If the student insists that his/her personally identifiable information not be shared with the alleged perpetrator, the student will be informed that the District’s ability to investigate and/or take corrective action may be limited.

9. Upon receipt of a sexual harassment or sex discrimination complaint, the Title IX Coordinator shall either promptly commence an investigation of the complaint, or shall designate a school administrator to promptly investigate the complaint. The Title IX Coordinator or designee shall:

e) consider whether alleged sex discrimination or sexual harassment has occurred or whether a hostile school environment has been created, including consideration of the effects of off-campus conduct on the school;

f) communicate the outcome of the investigation in writing to the complainant, and to any individual properly identified as a party to the complaint (to the extent permitted by state and federal confidentiality requirements), within sixty (60) school days from the date the complaint was received by the Superintendent’s office. The investigator may extend this deadline for no more than fifteen (15) additional school days if needed to complete the investigation. The complainant shall be notified of such extension. The written notice shall include a finding whether the complaint was substantiated and if so, shall identify, to the extent possible, how the district will remedy the discrimination or harassment, adhering to the requirements of state and federal law;

g) when sex discrimination or sexual harassment has been found, take steps that are reasonably calculated to end the discrimination, take corrective and/or disciplinary action aimed at preventing the recurrence of the harassment or discrimination, as deemed appropriate by the Superintendent or his/her designee, and take steps to remedy the effects of the sex discrimination or sexual harassment;

10. If the student complainant or alleged perpetrator is dissatisfied with the findings of the investigation, he or she may file a written appeal within thirty (30) calendar days to the Title IX Coordinator, or, if he/she conducted the investigation, to the Superintendent of Schools, who shall review the Title IX Coordinator or designee’s written report, the information collected by the Title IX Coordinator or designee together with the recommended disposition of the complaint to determine whether the alleged conduct constitutes sexual harassment or sex discrimination. The Title IX Coordinator or Superintendent of Schools may determine if further action and/or investigation is warranted.
after completing this review, the Title IX Coordinator or Superintendent of Schools shall respond to the complainant and respondent, in writing, within fifteen (15) school days following the receipt of the written request for review.

If a sex discrimination complaint raises a concern about bullying behavior, the Title IX Coordinator shall notify the Safe School Climate Specialist or designee who shall coordinate any bullying investigation with the Title IX Coordinator, so as to ensure that any such bullying investigation complies with the requirements of applicable Board policies.

Retaliation against any individual who complains pursuant to the Board’s policy and regulations is strictly prohibited. The district will take actions necessary to prevent retaliation as a result of filing a complaint.
