

Outdoor Street Hockey Club (All Grades)

Come join us for some exciting street hockey action. Players will face-off either 3 on 3 or 5 on 5 depending on how many players join the club. Players will need to bring their own street hockey sticks. Street hockey goalie equipment needed!

Advisor: Mr. Fortin

Details: Wednesdays and Thursdays 3-4 pm (Meet in the lobby)

Start Date: Wednesday 9/20/17

Lego Based Design Club (All Grades)

Come and design your creations with motorized Lego sets. Students can explore gear ratios and belt driven assemblies to create moving structures. You can design a car, building, statue or whatever else your heart desires!

Advisor: Robin Duffield

Limit: 12

Details: Tuesdays 3-4:30 pm in MakerSpace Room in Cafeteria

Start Date: Tuesday 9/19/17

Police and Youth Club (All Grades) (All Year)

Police and Youth Club is a youth and police engagement group sponsored by Youth & Family Services of Haddam-Killingworth. The goals of the Police and Youth Club are to promote positive youth development and interaction with our local police officers. Some activities will include meeting a police dog, learning about policing, arts and crafts, games, dodge ball with Police, outdoor games, cooking, community service projects and making new friends.

Advisor: Youth and Family Services

Details: First Wednesday of Every Month (Starting October) in C111

Start date: Wednesday 10/4/17

Trashcan Lacrosse Club (7th and 8th Graders)

Do you like lacrosse? Trashcan lacrosse gives you an opportunity to play the game without any contact or goalies. We will be using a tennis ball instead of a standard lacrosse ball.

Advisor: Rob Fagan

Limit: 20 students

Must Have: Stick, helmet, and gloves

Details: Tues., Wed., & Thurs. outside from 3-4:30 pm. Meet outside Mr. Fagans office.

Start Date: 9/19/17

CLUB INFORMATION

- After school clubs end between 4 and 5 pm.
- Clubs are designed to be about a total of 15 hours for the season but there are some exceptions. End dates will vary.
- You child has the choice to be picked up or take the late bus home.
- All parent pickups will be in the PM room (cafeteria).
- If your child is taking the late bus home, please have your child notify his/her homeroom teacher. This should occur each time they are taking the late bus.
- If another parent is picking up your child, please send a note in that day to notify the main office. Students will not be permitted to go home with another parent without a note.

Details: Wednesdays 3-4:30 pm in Room C225

Start date: Wednesday 9/20/17

GIVE (Great Initiatives Volunteering Everywhere) (All Grades) (All Year)

GIVE is a community service and leadership club sponsored by Youth and Family Services. Students will participate in worthwhile projects dedicated to the improvement of our community. Past projects have included collecting holiday gifts for underprivileged children, raising funds for local animal shelters, and developing projects to provide a sense of community to incoming fifth graders. This group runs year round for eight week blocks through the fall, winter, and spring club schedule.

Advisor: Youth and Family Services

Details: Thursdays 3:00-4:30 pm in Room C104

Start date: Thursday 9/21/17

Beading Club (All Grades)

Want to learn a new skill? Together we can utilize a variety of glass and natural beads to create items such as bracelets, lanyards, necklaces, and key chains. We will have options of using elastic cord, leather cord, or silver. Each week is an opportunity to create something new! Open to boys and girls in grades 5-8.

Advisor: Melissa Steinhilper

Limit: 20 Students

Fee: \$15

Details: Wednesdays 3-4:30 pm in Room C104

Start Date: Wednesday 9/20/17

Robotics Club (All Grades) (All Year)

Students will work on improving their basic skills in building and programming robots, using VEX IQ kits and EasyC programming software. This club is to gain knowledge and prepare for state-wide competitions which will be held in the late fall / winter. This club will run until mid-March. As always we will practice working as a team and *coopertition*(cooperation +competition). The fee for this club will include a t-shirt to wear to a competition and registration for 1 competition. In order for your child to attend competition they need to commit to attending and participating in every club meeting. Please visit <http://www.vexrobotics.com/competition> for additional details.

Advisor: Carolyn LaRosa

Limit: 10students

Fee: \$40

Details: Every Other Thursday 3-4:30 pm in B112

Start Date: 9/21/17

Advanced Robotics Club (Only for students who have participated in Robotics Club for over a year) (6th, 7th, and 8th Graders) (Full Year)

Students will work on challenging programming, using the VEX IQ kits and EasyC programming software. Students will work on perfecting robot design to better prepare for the state wide competition this winter. Students should only be joining the advanced section if they have been in the club prior to this school year. As always, we will practice working as a team and *coopertition* (cooperation + competition). The fee for this club will include a t-shirt to wear to a state wide competition and registration for 2 competitions. In order for your child to attend competition they need to commit to attending and participating in every club meeting. Please visit <http://www.vexrobotics.com/competition> for additional details.

Advisor: Carolyn LaRosa

Homespun Fun Club (All Grades)

Create your own handmade items to keep or give away! You will create surprise holiday project items including: gifts-in-a-jar; a treat wreath, and homemade bath bombs to start!

Advisor: Lynne Landry

Limit: 15 students

Fee: \$15

Details: Tuesdays 3-4:30 pm in Room C113

Start Date: Tuesday 9/19/17

Book Club (5th and 6th Graders)

This "just for fun" book club is a student-organized, student-driven reading experience that builds community and encourages students to read independently and support one another's reading efforts. Our meetings will come to life with discussions that turn reading into a social activity and inspires students to keep reading and thinking.

Advisor: Linda Ricks

Details: Thursdays 3-5:00 pm in the Media Center

Start date: Thursday 9/21/17

TV News Club (7th and 8th Graders)

Students will learn broadcasting, sound mixing, video editing, and videography skills. Members of this club will support the creation of the morning news. Mrs. Ricks will work around your other extra-curricular activities when scheduling the days that you will need to come.

Advisor: Linda Ricks

Limit: 15 students

Details: Wednesdays 3-5 pm in the Computer Lab

Start Date: Wednesday 9/20/17

Math Counts (6th, 7th, and 8th Graders) (All Year)

Students will participate in a year round math club devoted to problem solving and various mathematical applications. This group will compete with other schools and some will be eligible to compete at the state level. This club will end in March.

Advisor: Gail Hanson

Details: Tuesdays 3-4:30 pm in Room C217.

Start date: Tuesday 9/19/17

Fall Musical (5th and 6th Graders) (SIGN UP IN MAIN OFFICE)

Be a part of the magic on the HKMS stage and join your friends for our Fall Musical Theater Production. Learn about many aspects of acting, stage movement, singing and how to be a part of a show. We meet after school about 2 or 3 times a week. Easy commitment! Many parts for boys and girls. All levels of experience and talent wanted!

Advisors: Meagan Piombino and Greg Flower
